Core Requirements (CR) are shown in bold.

Candidate institutions gain accreditation after demonstrating compliance with the remaining Standards of the Principles of Accreditation except Standard 7.2 (Quality Enhancement Plan).

Public Sanction. When an accredited institution fails to demonstrate compliance with a Core Requirement, the SACSCOC Board of Trustees places the institution on one of two sanctions, Warning, the lesser of the two, or Probation. These sanctions alert the public to SACSCOC's identification of serious issues of non-compliance that could result in loss of membership if not corrected. A sanction may also be imposed on institutions that fail to document sufficient progress towards achieving compliance with other Standards of the Principles of Accreditation.

Initial Accreditation (Init. Accr.). In this year, the institution became a member of SACSCOC.

Last Reaffirmation (Last Reaf.). In this year, following a comprehensive review by both an Off-Site Reaffirmation Committee and an On-Site Reaffirmation Committee, the most recent review of the institution's compliance with the Principles of Accreditation was acted upon by the SACSCOC Board of Trustees and Reaffirmed.

Next Reaffirmation (Next Reaf.). In this year, the SACSCOC Board of Trustees will act on the results of the next comprehensive review of the institution's compliance with the Principles of Accreditation.

Candidacy. The date on which the SACSCOC Board of Trustees awarded the institution candidate status.

Type of Institution (Control). Classified by type of governance, member institutions are identified as either Public or Private. Private institutions are further classified as Not-for-Profit and For-Profit.

Level. Classified according to the highest degree offered, member institutions are placed into one of the following six categories:

Degrees. The following codes identify the types of degrees offered by member institutions:

A	Associate
B	Baccalaureate
M	Master
ES	Educational Specialist
D	Doctorate
